

DESTINATION EASTER

The Parish 2016 Lenten journey that begins with the ashes and leads to the redeeming waters of Easter

Destination Easter is a family based program designed for Parishes searching for a different way to enter into the 2016 Lenten journey together as a people on mission.

Destination Easter centres on the whole Christian community model where all are welcomed, encouraged and nourished through interaction, discussion and reflection.

Destination Easter offers the ideal opportunity to gather at this point of the liturgical year and reflect on where the Gospel is drawing us as we journey towards Easter.

Each **Destination Easter** program is designed in consultation with the individual Parish and offers a variety of options for gathering the community together throughout Lent.

Destination Easter offers scripture & discussion, song & ritual, prayer & reflection, activity & silence — following the 2016 (Year C) Lenten cycle of readings.

The GPBS Ministry Team will come to your Parish and facilitate the program in a way that will include and empower key members (pastoral ministers, musicians ...) in presenting **Destination Easter**.

Contact the *GPBS Ministry Team* to see how **Destination Easter** can become part of your Parish calendar for 2016.
